

Location, location, location!!! This is what best describes this restaurant.

Let's first have a little quiz.

Think of the United States of America, name a famous city in the U.S.....did you say New York?

Think of New York, name its most famous square?.....did you say Times Square?

EXACTLY!

Here is an interactive map of E&E Grill House location in Midtown West – New York, and you can also find the GPS coordinates to load into your mobile device:

The atmosphere is friendly, elegant and dynamic. The sensation you feel walking into the restaurant is a mixture of entering a sophisticated environment and your own cozy home.

The genuine smile and greeting at the entrance accompanies you throughout all the meal.

The world-famous American burger is at home at the E&E Grill House:

As was the steak!

And why not finish a wonderful meal with a delicious homemade dessert: key lime pie - YUM!
