However, don't worry - because wherever you sit, the food is magnificent!

And you won't need to choose, either, because at brunch they serve you EVERYTHING!!!

It is a set degustation menu, and the dishes just keep coming, and coming, and coming... each one more delightful than the one before!

It is really a gastronomical extravaganza – but not of solid plates of heavy, mono-tasting food; instead, each portion is petite and a work of Asian culinary art, and the flavours bounce off each other in a symphony of wonderful tastes.

Ba Chinese Restaurant is part of the Fairmont at The Palm, Jumairah, and very easy to find on the map.
