Freshly opened in Dubai, they are ready to rock'n'roll!

OK - so what's the deal?

Well, the fries are super-thin and long, and play nicely on that outer crunchy / inner soft feature of delicious fries.

And they come with Freddy's own sauce, in original and spicy.

The patty has been crisped to a crunchy perfection at the edges!

The good people in the kitchen have thinned down the edges of that glorious beef patty, and then with whatever magical technique that I suppose the original Freddy discovered, they blast the outer rim at high temperatures to achieve their signature crunch - and boy is it exceptional!
