

A splendid resort destination, a million miles away yet on Dubai's doorstep.

Imagine an enormous mature and green garden, leading up to a long sandy beach and yacht marina, and dotted with luxury resorts and hotels, and backed by lakes and a golf course... that is staycation paradise!

Your balcony at JA Beach Hotel...

As I explored, I lost count of the number of swimming pools!

I got distracted by the beach!

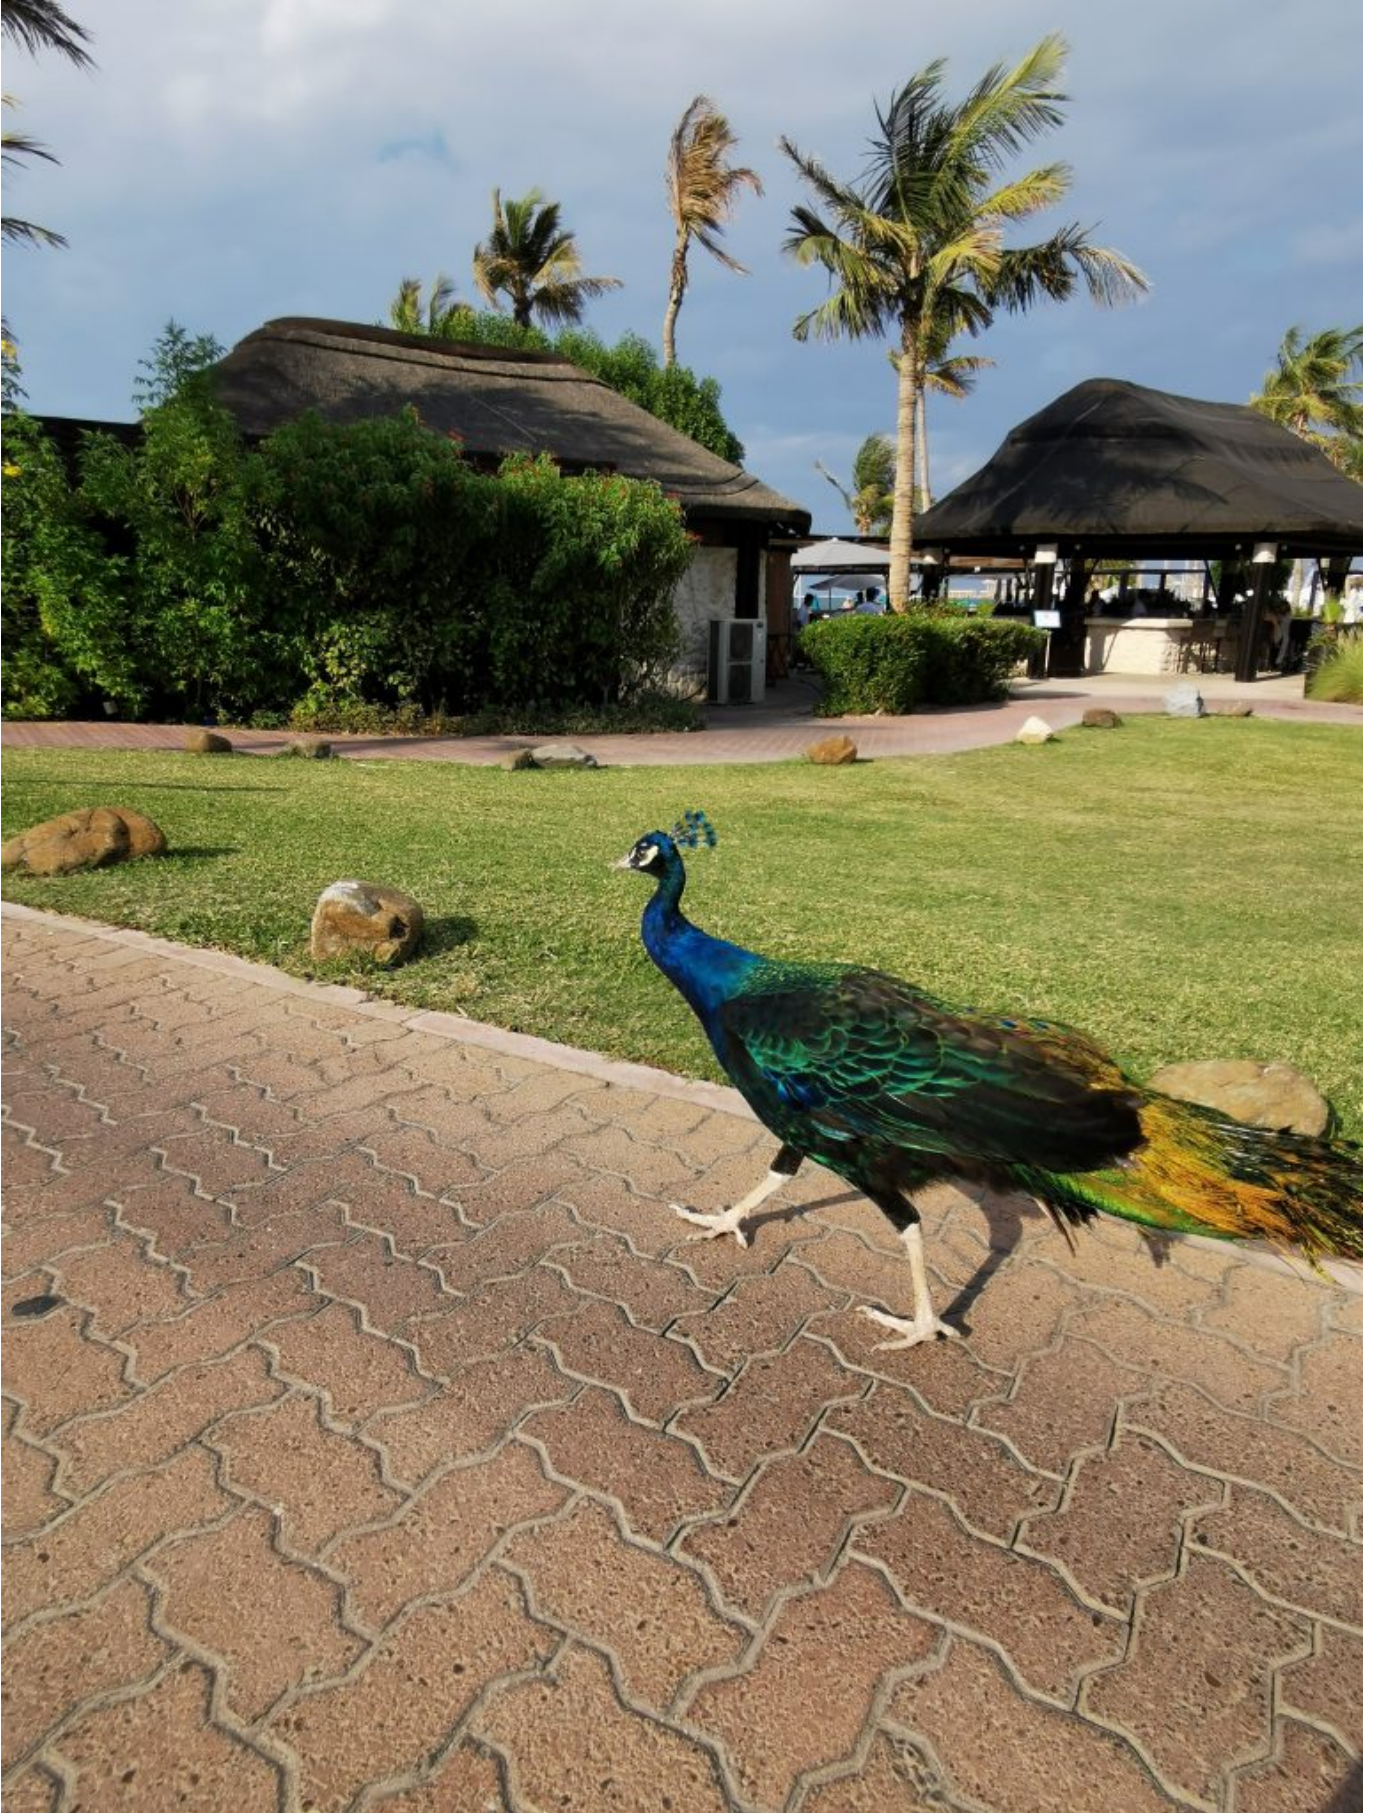

Then back to counting swimming pools...

And while taking a walk on the maze of garden paths, a local resident walked alongside me...

And then I found more pools!!!

Even at night!
