But not only cute and pink -

Black Tap has launched the limited-edition The Living Life CrazyShake® to celebrate his debut smash hit We Living Life in collaboration with American rapper Fat Joe.

Fans who visit Black Tap's Jumeirah Al Naseem venue up 'till January 2nd can get their very own taste of Dubai's own YouTube star, Rashed Belhasa (known by his Instagram handle as Moneykicks), who boasts more than 1.6 million followers on the social media site - with his very own limited edition CrazyShake milkshake, Living Life by Moneykicks.

Inspired by Rashed's favourite luxury ingredients, the Living Life shake is crafted using vanilla ice-cream mixed with Lotus spread and comes topped generously with whipped cream, Lotus biscuits and Kit Kat bars. The shake is finished with a caramel popcorn rim decorated with a Patchi Gold chocolate bar and dusted with gold for a shake worthy of a superstar.

And it's a beauty!
