

Zengo at Le Royal Meridien Beach Resort & Spa, Dubai

by Debora Khretdao

I don't know about you but nothing quite gets my attention like "all you can eat"...music to my ears, and good value of my money!

Every Friday, Zengo, a Pan Asian restaurant, offers an exquisite night "brunch" from 8-11 PM.

With a set menu, all you have to do is sit tight and enjoy the tasteful ride.

I, personally, prefer to be seated outdoors and Zengo made this a delight with a view of Le Royal Meridien's peaceful gardens and the Ain Dubai Ferris wheel.

We got especially lucky with a fireworks display!

However, the mood is just as set indoors as outdoors; it is down to personal preference.

A paradise for seafood lovers, introducing the starters. Numerous mini dishes to give you a primary tasting of everything, after which you can reorder your favorite dishes, if not all.

But don't reorder too much just yet, there is still the main course coming!

Chicken, lamb, fish, you will experience the entire package at Zengo.

Such a variety of foods will be served to you, yet you will likely fall in love with each one! You will not want to stop eating, so make sure you come to this meal prepared with a good appetite.

Oh, did I forget to mention alcoholic beverages are included in the brunch? How could I forget!

...maybe because alcoholic beverages are included in the brunch?

If all these food and drinks is not exciting enough for you, perhaps consider partaking in the spicy ramen challenge. What is in it for you? Your entire brunch on the house, that's what!!

Go up against other customers to see who can finish the spicy ramen soup the quickest, and it must be in under 5 minutes.

Think its easy? We will see about that.

Zengo at Le Royal Meridien Beach Resort & Spa, Dubai

All in all, Zengo is a fantastic top-of-the-town Pan-Asian restaurant destination for a night out in Dubai - its fancy yet understated sophistication in terms of flavors and cuisine is off-set by a relaxed and simple philosophy of good living.

For a superb night out, Zengo is tops!
