Easily one of the trendiest 5-star hotels, unique Cavo Tagoo Mykonos exceeds all expectations.

Built into a cliff side, just moments from Mykonos Town, a day trip to Cavo Tagoo is a must-add to your Mykonos itinerary.

Feel like a celebrity for the day by purchasing a day pass. It gives unlimited access to the iconic infinity pool, aquarium bar (you will see what I mean later), and gym.

The TikTok famous infinity pool overlooks the beautiful Aegean Sea, and what a view it is!!

Lounge by the pool on your preferred choice of a floating sun bed, shaded sun bed, or sofa. Admire the view as you soak in some sun - there's no comparable view in Mykonos I guarantee you that!

Don't forget to order a cocktail, too. Get it brought directly to your sofa bed or head over to the pool-side aquarium bar...

Even the bar is unique... Bet you've never seen a bar also multifunction as an 40 metre aquarium?

And let me tell you, the cocktail menu is spot on.

Straying from the 'usual', the bar serves a wide range of cocktails including a bunch of creative yet delicious recipes I've never heard of before! A great excuse to try them all, right...

Did I forget to mention that the idolised pool is not the only attraction?

If you're feeling fancy, treat yourself to some shopping in Cavo Tagoo's very own fashion avenue, home to over 50 boutique brands.

Or how about exploring the art exhibition?

You can't miss it, just beyond the the lobby area is full of bold and capturing art pieces, from paintings to statues to furniture, I loved every piece.

Cavo Tagoo knows how to make an impression, that's for sure.

The Cavo Tagoo experience is luxury from start to finish, with all details carefully thought out. Simply sitting in the lobby is an enjoyable attraction in itself.

That's how you know Cavo Tagoo is the place to be.

As the end of the day approaches, I have one ultimate recommendation.

Known for its sun sets, the Cavo Tagoo pool is perfectly positioned to reflect Mykonos' magical sunsets.

If there's one thing you take from this article let it be to watch the sunset from the Cavo Tagoo infinity pool. A truly unique, indescribable experience. What a dream!

Cavo Tagoo is not just another fancy 5-star hotel, it offers an experience that no other location can offer in Mykonos.

Don't miss out, it's the place to be!
