

Valentine's at an Immersive Art Workshop at the Theatre of Digital Art (ToDa) in Dubai

Shhhh! Don't tell my beloved!

I wanted to do something really special, and so I've booked!

I must say I'm rather nervous... never tried anything like this... just red roses and the usual dinner!

What is it?

Well, for couples looking for a fun and unique experience to celebrate the Valentine's Day, Theatre of Digital Art Dubai (ToDA), is hosting a unique bonding experience - Listen to your heart workshop.

Valentine's at an Immersive Art Workshop at the Theatre of Digital Art (ToDa) in Dubai

This is a beginner-friendly masterclass of guided painting surrounded by an Immersive Digital Show and Live music performance.

Apparently, the experienced instructors at ToDA will walk all participants through every step and help find their creative inspiration, whilst they enjoy mesmerising 360-degrees visuals and sip their favourite beverage. All art supplies will be provided by ToDA and complimentary 2 glasses of wine/beverages & canapés will be served during the event.

Participants will be able to take home a memorable keepsake that they have taken the time and effort to create themselves. They will even have the masterpiece ready in time for Valentine's Day the following day to present as a heartfelt gift.

This activity is the perfect and unique way to do something together, catch up and have some quality time, whilst enjoying being in an ambient atmosphere with live music and stunning visuals.

Well, I'm excited! Do you think we'll enjoy it?

I'll post our love story on the day!
