We had the good fortune of attending the premiere, and look forward to the continuation of this series of events, proudly presented by SAMIT Event Group, a Dubai-based organization with a proven track record of delivering high quality, large-scale cultural projects.

In addition to the festival's schedule of world-class performances, SAMIT is proud to present the third edition of the "Classic Strings" Violin and Cello International Competition, taking place from 9th-23rd May 2022. This event will welcome some of the finest young string players in the world to Dubai, for a competition celebrating the best of artistic excellence and technical prowess.

As inspiration for the youth, the premiere of the InClassica International Music Festival presented violin prodigy Sergey Krylov, who at the age of 18 won first prize at the Rodolfo Lipizer International Violin Competition. After that, the young musician gained considerable publicity by winning several first prizes, and Sergey arrives to InClassica with an accomplished career as a soloist as well as conductor.
