

Weekend at The Art Of Brunch, Hotel Indigo Dubai Downtown

Every so often in Dubai there comes along a new idea, an enhancement of something already well loved and established, and that new impetus totally re-shapes the landscape.

And I'm not talking about real estate, either!

The new team at Hotel Indigo Downtown have put together a weekend brunch that is both tasty and tasteful - The Art Of Brunch...

Several other stations are placed strategically in the space, but I'll let you discover those on your own!

As a licensed brunch with several creatively-named packages, I'll simply highlight the colorful Aperol cart, and the fantastic fresh fruit healthy smoothies - you will find all else you desire courtesy of the fully-stocked bar.

But that's not all!

In fact, the Art Of Brunch is arranged also for table service, care of a vibrant and lively team, whereby surprises appear at your table as if by magic!

Actually, it is the combination of many exquisite dimensions that meet seamlessly together that deliver an exceptional brunch experience - and everything seemed to fall into place perfectly at the Art Of Brunch.

For instance, the dessert buffet was tops - but then you discover there's a live ice cream station, and also this fountain of delights!

And if that weren't enough, at the table you could arrange for a surprise with an extra special dessert!

And so this theme of excellence, and then exceeding it with surprises, becomes the ethos of the Art Of Brunch - and you start to notice it throughout.

At your table a platter of mixed grills arrives...

The live DJ keeps the tunes just right, but then a talented violinist appears and joins in!

Meanwhile you discover that the biryani is phenomenal, and served with either chicken or lamb in individual portion copper pots, sealed with bread and love!

Overall, Hotel Indigo Dubai Downtown has hit the sweet spot with the Art Of Brunch - where an excellent boutique buffet and table service are exponentially boosted by tasteful surprises coming from all directions! It is a fresh new concept, and one that is extremely well thought-out and delivered.
