

Weekend Dining at Gastro Kitchen, DoubleTree by Hilton Hotel, Dubai JBR

Gastro Kitchen is the all-day dining outlet serving the DoubleTree by Hilton guests at JBR - but my interest is shared with most Dubai residents, and that is a fabulous place to eat, in the gardens, by the pool, at the beach, and opposite Dubai Eye!

Unbeatable!

Plus, besides the marvellous ambiance, the location is an oasis of peace in the very bustling heart of JBR.

And if the fresh outdoor breeze doesn't suit you,

you'll find a well-appointed and spacious internal dining hall.

The menu is bright and fun, with a selection of specialites that go well for a nice lunch or a tranquil dinner, as well as of course serving a sumptuous breakfast buffet to house guests!

with fresh mozzarella cheese, cherry tomatoes, and luscious balsamic glaze; as well as honey-glazed combination of brie and walnuts, and tuna tartare.

Several options of hearty healthy super-bowls catch the eye, and indeed each of them is a meal into themselves!

Below is the Falafel Bowl, with avocado, chickpeas, hummus, quinoa, olives, cucumber, halloumi cubes, and of course the star of the dish: falafel.
